

GLOBAL LEARNING COMMUNITIES TEACHER MANUALS

This series of manuals is designed to provide practical and useful ideas into how to improve aspects of our classroom practice. All available as hard copies or electronically.

Creating Resilient Educators by Julie Boyd \$49.50A

Creating resilient young people requires teachers with an understanding of their own wellness, resilience and happiness. This manual is designed to help teachers understand and address the issues involved with interlinking personal, professional and organisational wellness. It is equally appropriate for individual learning or small group dialogue.

Learning Together: An Introductory Guide to Interactive, Cooperative and Collaborative Learning by Julie Boyd \$49.50A

This manual is based on information, strategies and activities used in the highly practical workshops run by GLC and designed to introduce teachers to the philosophy and practical strategies used in building collaborative classrooms which engage students in cooperative and fully interactive learning.

Active Cooperation and Learning \$49.50A

A Compendium of Generic Teaching and Learning Strategies and activities activities designed to assist teachers in the creation of collaborative learning environments for students for students of all ages.

This manual is the result of requests from many teachers, particularly secondary teachers who want to expand their repertoire of teaching and learning strategies. It is designed as a highly practical handbook.

A Guide for Learning Facilitators – The Art and Craft of Presenting \$49.50A

Presenting to peers or other adults is sometimes a daunting experience. This manual is designed to enable people to combine the persuasive art of presenting with the gentle craft of continuous professional growth. A must for staff meetings, consultants, workshops, dialogues, interactions and professional coaching.

Integral Curriculum for Effective and Relevant Learning by Julie Boyd \$49.50A

Designed to assist teachers to understand how to prepare curriculum for the convergence and alignment of learning environments, curriculum, pedagogy and assessment. Includes information on preparation and use of individual, classroom based and digital curriculum in a range of learning environments.

Effective Middle Schooling \$49.50A

Middle Schooling is a concept designed to address the issues of students at this particular stage in their development. This manual raises issues and addresses concerns about education for young people at this time of their lives.

Creating Resilient Youth

By Julie Boyd \$49.50A

Assisting young people to develop the skills of becoming resilient requires an understanding of the process of developing resiliency as well as an understanding of the skills required. This practical manual is a resource for teachers to use with students.

GLOBAL LEARNING COMMUNITIES BOOKS

Motivating Schools to Change Global Learning Communities

\$12.50A

This book paints a clear, simple picture — to be shared with school staff, students

Mindful Learning

by Carole Cooper and Julie Boyd

\$19.80A

To be serious about developing learner thinking and mindful practice we need to: create supportive challenging learning environments, using constructivist curriculum, making explicit processes and skills used, improving questioning skills, and reflecting on learning

Learner Centred Assessment by Carole Cooper

\$26.40A

This book provides a comprehensive guide to the guiding principles and practices of classroom based assessment. It includes chapters on performance based assessment, observation and interviewing, portfolio development, student roles, and others.

Collaborative Approaches to Professional Learning

by Julie Boyd

and C Cooper

\$27.50A

This book provides a menu of methods designed to assist individuals, groups, whole schools and districts to implement collaborative reflective practices to enhance teacher professional image and professionalism

NEW BOOKS AND MANUALS

These books will be available in 2003. Pre-publication orders or enquiries welcome.

Becoming a Skillful Teacher **\$49.50A**

A highly practical manual designed to provide confidence to new teachers and further ideas to experienced people. Becoming a Skillful Teacher examines the skills required to be effective in a classroom.

Cooperative Games and Activities **\$49.50A**

A compendium of games and activities designed to foster cooperation and collaboration. Suitable for all ages.

Group Activities for Older Learners and Adults **\$49.50A**

A broad range of activities for fostering cooperation and group learning in a wide variety of situations.

Challenging Behaviours Workbook: Truancy, Shoplifting and Street Offences **\$49.50A**

A workbook to assist teachers or youth workers who are working with students who are exhibiting challenging behaviours.

Educational Leaders' Book Overviews

Book overviews are designed to provide a condensed picture of the contents of the book in order to both provide an overview and to assist the reader to determine whether to purchase and read the entire book. Click [here](#) for an example

These may be purchased at A\$ 55 per volume, A\$101 per issue, or A\$6.00 per single overview. They are available in hard copy or pdf formats.

This service is designed to screen and select books which will enhance your knowledge and professional expertise in a fraction of the time it takes to read a complete book.

We suggest that you use them:

- to decide whether you wish to read the whole book
- as a means for reflecting on the appropriateness of your current work in the context of a broader global picture.
- as the basis for discussion with a 'learning buddy' about how you could each improve your practice.
- as the springboard for a group discussion among your peers for the purpose of becoming more clear about current and future directions.
- as personal food for thought.
